WELCOME TO AR-ELLS SCHOOL

OUR SCHOOL ANTHEM

Founded by the love of knowledge and wisdom
Hail to thee, our Queen!
We love thee, Alma Mater!
We turn to you for wisdom,
For understanding and for light.

*So, we join our hands together
In one heart and mind
There is nothing that can take
Our hearts away from you.
Loving God and motherland,
We'll be true to you.
We pledge our love to you, Oh!
Our love to you **Ar-Ells!***

"They that seek the Lord shall understand all things"
Goes our motto great
The saying we all follow
With God, who is the fountain
Of all wisdom we shall stand.
You are the very place where we learn cheerful giving
And joyful learning too
To serve humanity
To shed alight God's own light
To the world we shall reach out.

Quality Education Within a Religious Environment

Welcome to Ar-Ells. It is important to make the right choice for your child. This prospectus has been especially written to provide you with the necessary information and to help you understand what we have to offer.

At Ar-Ells we provide a happy, caring and safe environment for your child. We work hard to ensure that your child's experience of school is a positive one and one which encourages a love of learning and self-discipline from the start.

Children are enthusiastic about life and embrace the many opportunities to grow in faith, developing religious understanding and a sense of service. Spiritual and moral development lies at the heart of our work and is a major strength within this vibrant school community, where every child is valued.

Our work is supported by a good level of resources and additional staffing to meet the individual needs of the children. We work hard to ensure each child has acquired the study skills necessary for them to continue their development at the next stage of education.

A positive partnership with parents is vital in achieving our aims. Home and school must work together and we need your support and co-operation. In return, we hope you will find the school welcoming, willing to listen and willing to respond to your questions, concerns or suggestions. The quality of education determines the destiny of the nation and quality education is the hallmark of Ar-Ells School.

AR-ELLS SCHOOL

They that seek the Lord shall understand all things....

BACKGROUND

In response to our prayers, God gave us his consent, and Ar-Ells School was established in 1991 to its present location from Nursery Unit. Ever since then, the last period of every Friday has been observed by the teachers for praying for the students and the school. High School section was added in 1997. The school is now over 27 years old, but every effort is made to maintain it to a high standard. The school is now one of the shining stars in the educational institutions in Mizoram. Ar-Ells founder, C.Lalrinchhana, devoted to prayers, was inspired by the teachings of Jesus Christ. He started Ar-Ells with a vision to inspire generations of children to become religiously and socially motivated and conscious citizens of India and the world.

The motto "*They that seek the Lord shall understand all things*" is taken from Proverbs 28:5 and has been the foundation governing the standard of Ar-Ells.
